ERP DOCUMENTS

1. Administration:- The administrative process and procedures are computerized. It is a paperless wherein as compared to the 2015, 90% paper use is avoided. The college has website www.milindscience.in to keep the stakeholder abreast of the campus development and announcement. The feedback from students, teachers, alumni and employers is obtained from the college website. The campus is monitored by CCTV cameras.
2. Finance and Account:- The financial and accounting processes and procedures are computerized Master Software is used to carry out the financial and accounting processes. It generates the report like day book, general day book, cash report etc.
3. Students Admission and support :-The college Prospectus is available on the institutional website www.milindscience.in The students fill in the admission and then visit the online admission facilitation centre to register online at MKCL portal www.Bamu.digitaluniversity.in. (introduced by board of examination and evaluation, Dr Babasaheb Ambedkar Marathwada University). Certificate, Transfer Certificate, Migration etc are generated on this software.
4. Examination:- As a PRN is generated, the student admissions form is automatically generated after fees payment at the MKCL portal. The fees are paid online to the University. The examination hall tickets are generated online and the students can download it and appear for the examination. The seating arrangement, summary of candidates seating number for the day. Submission of attendance for the session etc. is done through the MKCL software. The question paper is available on the MKCL website an hour prior to the commencement of the paper.
